

PROGRAM FEE/FINANCIAL ASSISTANCE

Through our fundraising efforts, GOTR-Maine is able to offer this program to families on a sliding scale fee to ensure that all girls are able to participate. The financial sustainability of our program depends on the honesty and integrity of parents who choose their appropriate registration amount. It is essential that each family contribute as much toward the full cost of the registration fee as it can afford. We reserve the right to request verification of income. If you are unable to pay the recommended program fee or if you can pay more than the recommended fee based on your income, please write in the fee that you are able to pay when registering.

The following scale is the recommended program fee based on annual household income.

<u>ANNUAL INCOME</u>	<u>PROGRAM FEE</u>
<i>\$65,000 +</i>	<i>\$145 (Full Program Fee)</i>
<i>\$55,000 - \$64,999</i>	<i>\$100</i>
<i>\$54,999 - \$45,000</i>	<i>\$75</i>
<i>\$44,999 - \$35,000</i>	<i>\$55</i>
<i>\$34,999 - \$25,000</i>	<i>\$40</i>
<i>\$24,999 - \$0</i>	<i>\$20 (Baseline)</i>

A baseline registration fee will start at \$20. If you do not need financial assistance you will be asked for the amount that is due according to the sliding scale before the start of the program.
